

"Dr. Christy Fernandez IAS(Rtd) has been my mentor since the days I started preparing for my Civil Services Exams. Under his guidance I appeared for Civil Services Exam 2013 and cleared it in my first attempt. Thus, I believe I don't need to say more about the quality of mentorship and motivation his Academy would provide to Civil Service aspirants".

"Dr. Christy Fernandez has been a great and constant motivator for me, helping me to realize the best potential in me. He always guided me to the most valuable resource and wisely advised to choose a career path that helped me ultimately join the civil service. I've benefitted from his stewardship and advice and in my preparations right from the beginning. Today I can say that his efforts have made me achieve success".

Reny Wilfred IAS (2015)

"Dr. Christy Fernandez IAS (Rtd) has been instrumental in my success in the 2016 Civil Services Exam. He guided me throughout my journey and gave useful tips regarding answer writing and essay writing. He and his team at Triune provided one of the best mock interview experiences and I learnt a lot from those sessions. The most unique aspect about Triune is the personal attention Sir gives to all his students mentoring them to be future civil servants and I greatly benefitted from the same. Thank you Sir and Triune Academy for helping me realise my potential and achieve success".
